Re: *Honeywell International Inc. et al. v. Hamilton Sundstrand Corp.*,
C.A. No. 99-309-GMS

Dear Judge Sleet:

Honeywell is writing to seek guidance regarding the length of the parties' post-trial submissions. Pursuant to your Court's Order, the parties will be filing simultaneous Proposed Findings of Fact and Findings of Law on April 28, 2006. Honeywell believes that a page limit of 50 pages per side would be helpful to both the Court and the parties, however, Hamilton Sundstrand has indicated that it does not believe any page limit is appropriate (*see* attached e-mail from Mr. Kirk). Honeywell respectfully requests guidance from the Court regarding page limitations for the post-trial submissions.

Respectfully,

Thomas C. Grimm (#1098)
